

Lending Policy & Borrower Responsibilities

Background

Gabba Hill Community Garden is a group of residents in Woolloongabba, Brisbane who created and maintain a small public garden for the benefit of the local community.

Borrower eligibility

Current Garden Members in good standing are permitted to borrow materials from the Garden lending library.

Lending rules

Borrowers must document all materials loaned, according to the borrowing procedure outlined on the library container.

Borrowers may loan any number of items from the library at a given time.

Items are to be returned within a reasonable timeframe (generally within four weeks of borrowing).

The Garden Management Committee reserve the right to contact a borrower to request the immediate return of an item.

Lost or damaged items

Borrowers are responsible for the loss or damage of library materials, and are liable for the total replacement cost of the item as determined by the Garden Management Committee.
